The Consultation Department would like to invite you to a Collaborative Process on Indian Registration, Band Membership and First Nation Citizenship, facilitated by Lisa Perley-Dutcher, a consultant contracted by the WNNB.

## **Objectives:**

- Having a common understanding of the past issues and current issues related to “Indian Status”
- Discuss First Nations assuming control of its own membership, registration, and citizenship
- Discussion about the 1951 Cut-Off
- Document feedback, issues and concerns of participants/community members

Thank you!
